Referral re:

I am referring Miss Ninacska Lander (12 years old) to you for psychology services for generalized anxiety disorder. Attached is her MHCP. I am referring her for 6 sessions of psychology. I would appreciate if you could write to me near the completion of this and if further sessions would be of benefit I can assign more.

Nina is also involved with a paediatrician (Dr Satahrasinghe @ Kambu) for GAD as well as workup for ASD.

Thanks,
